# Urine Collection Products

## Dover™ Drainage Bag

- Capacity offerings in 1000 mL, 2000 mL and 4000 mL
- Enclosed drain spout on a 45° pedestal
- Pivoting hanger hooks
- Top vent promotes optimal flow within the collection system
- Luer-lock sample port helps prevent needle stick injury
- Tube management & sheet clip improves flow dynamics

## Dover™ Urine Meters

- Designed for precise measurement when output is critically important
- Capacity ranges from 150 mL to 400 mL
- Lowered entry point
- Horizontal face plate with self leveling chamber
- Top vent promotes optimal flow within the collection system
- Enclosed drain spout on a 45° pedestal
- Luer-lock sample port and meter port helps prevent needle stick injury
- Tube management & sheet clip improves flow dynamics
